My attitude towards my patients and my life

I believe in serving LIFE in all its forms while exploring my true potential.

Interacting and helping people in suffering, is a virtue for me

I respect Medicine as whole and love to do what I do.

Few Words which describe me best:- Trouble-shooter, Solution finder, Getting things done, thinking out of box. New ideas and energy to work on them, flows through me. Originator rather than a follower

I believe a solution always exist for every problem.

Vision for future

I see myself as part of pivotal role for better quality of life of my fellow living beings including humans, animals, plants and environment. I believe Basic and Translation research is the key to such achievement.

In my professional life I see myself pioneering newer therapies which can add years to life, moreover I want my patients to add life to their years gained.

Lung cancer and GI cancer are my areas of interest. I see myself as part of experimental medicine in future.

I see Sujok acupuncture as a significant part of palliative medicine for oncological patient. I see myself as an important contribution in its recognition.

Work Experience

Dec 2019 – till date: Consultant Medical oncologist, AIG Hospitals, Hyderabad, India

July 2018 – Dec 2019: Consultant Medical oncologist, American oncology institute, Hyderabad, India

March 2018-July 2018- Associate consultant, Dept of medical oncology. Hinduja Hospital, Mumbai

Presentation and Posters

- Oral presentation: adult Gaucher disease, Gastroenterology 2022, Brussels, Belgium
- Oral Presentation: Ten continuum cases of Liquid Biopsy Preferred over Tissue biopsy evaluating the circulating tumour cells as new ray of hope: International expo on gastrointestinal and digestive disorders 2022, Brussels, Belgium
- Oral paper presentation “ Real world evidence of Neupitant in chemotherapy induced nausea and vomiting” August 2019, 1st RWE conference, Chennai, India
- Poster Presentation “ Chemotherapy induced Muercke’s line” at 37th ICON national conference 2017, Delhi, India
- Paper presentation “ Neoadjuvant Chemotherapy and breast conservation rates, Pathological response” at 37th ICON national conference 2017, Delhi, India
- Bharat Patodiya, VasudhaSardesai; Procalcitonin as early marker of sepsis: MAPCON 2012, Sanghli, Maharashtra
- Bharat Patodiya, Bharat Purandare– Poster on “Unusual presentation of scrub Typhus” CIDSCON 2012
- Second Prize in Poster Presentation IXth Research Society Conference-2012, March 2012.

Academic awards and research

- Primary Investigator, Phase 4 Clinical trial “Utilisation of Genexol PM in metastatic Breast cancer” (not published)
- Primary Investigator; Pilot Randomised control Trial in to study symptom control effect of sujok/sixki acupuncture with chemo versus chemo alone in locally advanced Pancreatic cancer (ongoing at AIG hospital)
- Top rank holder in Department of Medicine, Bharati Hospital MD exam.
- 2004 – ICMR Research project protocol on Bioplasmic energy, Nominated for scholarship

Oncology Training curriculum

Trained at P.D Hinduja National Hospital (tertiary care hospital, Mumbai)

Hands on practice of oncological procedures like Central Vein catheterisation, spinal fluid tapping, pleural tapping and paracentesis

Outpatient exposure of 40-60 patients per day

In patient exposure of 50-70 patient at a time

Three compulsory academic activity per week Viz. Journal club, Multidisciplinary Tumour board and Haematology/basic sciences, For the duration of three years of residency

Exposed to heterogeneous population ranging from resource limited background to affluent affording population (who can afford newer drug in their treatment spectrum)

In house bone marrow transplant unit clinical exposure

In house radiation department equipped with IMRT.

ICU Training

- February, 2011 Basic Life Support (BLS)
- February, 2011 Advanced Cardiac Life Support (ACLS)
- September, 2011 Basic Assessment and Support in Intensive Care (Basic), Course of The Chinese University of Hong - Kong
- 4 Months of dedicated ICU physician posting at Bharati Hospital, Pune
- 2 Months of Dedicated Dialysis unit posting.
- Experience in Invasive ICU Procedures like - Central Venous Lines, Femoral Line, Arterial Line, Intubation, Spinal Fluid Tapping, Plural Tapping, and Ventilator.
-

Volunteer work

- Cancer awareness program to various general public gathering over last three years in Mumbai
- In association with Meera Hospital, conducted many free camps for Diabetes detection and treatment.
- Volunteer work in acupuncture, and twist therapy in various medically refractory diseases

- Utilisation of Bowen techniques for cerebral palsy children at Mangalore, Karnataka, India in year 2007. Pilot study with variable result (not published)
- Been a goodwill brand ambassador for Dermatology clinic “SkinLoveClinic.in” to **EVEREST BASE CAMP on 17 december 2017.**

Experience with Holistic medicine

Well versed with various bio energy based complimentary medicine like acupuncture, Pranic healing, Reiki, Certified course in SUJOK KI energetic medicine at Jaipur under SUJOK KI international in 2010

- Certificate course in SIX Ki Acupuncture/acupressure in 2007 under Sujok academy, Moscow
- Certificate course in basic SUJOK hand foot acupuncture/acupressure and energy flow therapy under Sujok academy of India in 2006

- Pranic healing workshop (Basic, Advanced and crystal healing). Utilisation of the same for few medical conditions like behchet’s disease
- Vipassana meditation and mindfulness meditation practitioner since 15 years.

International Perceptorships and Conferences

Nov 2019 - Advanced breast consensus conference 5, **Lisbon, Portugal**

July 2019 Phase 4 clinical trial preceptor ship, Sam yang Pharmaceutical, **Seoul, South Korea**

May 2019 American Society of clinical oncology 2019, **Chicago, USA**

April 2019 St, Gallen Consensus in Early Breast cancer, **Vienna, Austria**

October 2018 ESMO congress, **Munich 2018**

September 2018 Clinical Question in advanced prostate cancer, **Singapore, ESMO**

July 2018 RCC perceptorship at **Taipei, Taiwan**

June 2018 ESMO gastrointestinal cancer congress, **Barcelona 2018**

April 2018 European lung cancer congress 2018, **Geneva, Switzerland**
ESMO update for medical oncologist, Lugano, Switzerland

Sept 2017 Renal cell carcinoma preceptor ship program (Dr. Enrique Grande. Spain)

Role as Faculty in national and international conference

Multiple webinar during CORONA epidemic, Mentioning all the webinars will make the CV unjustifiably long.

January 2020 Speaker on Updates in myeloma management, **Kandy, Sri Lanka**
 September 2019 Faculty on “ recent advanced in systemic chemotherapy in breast cancer” 8th ABSICON 2019, Jaipur, India
 May 2019 Faculty in 5th national Innovation in oncology conference, New Delhi
 January 2019 Moderater for premenopausal advanced breast cancer at chennai, apollo international cancer conclave 2019
 December 2018 Advisory board for Ribociclib, Delhi, India
 Speaker : Ribociclib experience in clinic” at Innovation in Oncology, Mumbai
 Speaker academic session “Sequential versus concurrent chemo radiotherapy in adjuvant setup in NSCLC” at Year in review in Lung 2018

Workshops and Conferences attended

Multiple webinar during CORONA epidemic, Mentioning all the webinars will make the CV unjustifiably long.

June 2021 ASCO 2021, webinar
 May 2021 ESMO 2021, webinar
 March 2018 Delegate 1st annual review in gastrointestinal cancer 2018, Mumbai
 41st Annual conference Mumbai Haematology Group
 Feb 2018 CME on “adolescent and young adult oncology”
 Jan 2018 Participation in Best of ASH(American society of Hematology 2017),Mumbai
 Sept 2017 Delegate at 37th national ICON oncology conference
 July 2017 Faculty at Best of ASCO 2017, Chandigarh, India
 April 2017 4th update on Early breast cancer Consensus, Mumbai
 Delegate at 3 day CME “New frontiers in breast and thoracic malignancies”
 CME clinico-pathologic impact of 2016 Revision of WHO lymphoma classification
 March 2017 40th Annual conference of Mumbai haematology group
 Feb 2017 COPE 2017, delegate in national level Oncology post graduate In-training
 Exam Jan 2016 “Year that was... review best of 2016 in Ovarian cancer” at TMH, Mumbai
 Jan 2016 Year in review on breast cancer conference (delegate), TMH, Mumbai
 Oct 2016 Participated in National quiz on myeloma, PGI Chandigarh
 Aug 2016 Attended good clinical practice – a responsible approach, Mumbai
